Flew in for the race on 4/2/17... arriving and departing in my 1978 C172 among the executive jet traffic of NASCAR executives and team owners was an exciting experience. We were welcomed with wonderful hospitality, and provided all of the assistance that we possibly needed. Thanks for making sure that the small guy was treated just as well as the big guys! I would recommend anyone that may be in the area stop and experience this fine FBO!

A vase of yellow flowers sits on a counter. Next to it is a sign with handwritten prices: "Jet A ~ \$4.29" and "100LL ~ \$3.89". A logo for "Virginia is for Flying Lovers" is visible on the left.

Blue Ridge Regional Airport added a photo and a video.

Phenom fueling up!

A white fuel truck is refueling a white private jet on a tarmac. The jet's cabin door is open.

A collage of photos showing a woman refueling a blue plane and people at an air show. The plane has "PATTY WAGSTAFF AVIATION SAFETY, LLC" and "40JK" written on it.

Great visit today! First time flying in. Lora and Jason with the FBO are great. Hamburger at the restaurant was exceptional. Realizing how great the gas prices were, ended up topping off. I'll be back with the family.
