Call to Order

Committee Chair Donnellan called the meeting to order at 1:01 p.m.

Approval of Agenda

Committee Chair Donnellan asked for a motion to approve the agenda as presented. A motion and second were made to approve the agenda as presented. The motion carried.

Public Comment

Committee Chair Donnellan asked if there were any comments from the public. There were none.

VPFP Series 2025A Spring Pricing Results, VPFP Portfolio Update, and Commonwealth MO Debt Capacity Update

Committee Chair Donnellan called on VRA Director of Program Management Peter D'Alema for a presentation. He shared the pricing results of the spring pooled bond issuance,

issuance trends, update on the Commonwealth Moral Obligation debt capacity, and details of the pending Virginia Pooled Financing Program (VPFP) summer bond issuance.

VPFP Series 2025B Summer Update

Mr. D'Alema explained the loan application from the Alexandria Redevelopment and Housing Authority (ARHA) and that the loan requires Board approval because the City of Alexandria (city) had less than 200% state aid coverage in fiscal year (FY) 2024. He said that the city issues its debt with its General Obligation backing and that weighs on its state aid coverage metric.

There was Committee discussion surrounding federal government downsizing and increases in office vacancies and if there would be an impact to debt service payments. Mr. D'Alema said that ARHA and the city are both in a good financial position to pay the debt service. He shared the property's financial projections.

The Chair asked if there is a document showing the property is eligible for federal payments to which Mr. D'Alema said that ARHA's attorney provided the letter stating there is "evidence satisfactory" to that effect. She also asked if the borrower did not make a quarterly debt service payment if that would be an event of default, to which Mr. D'Alema affirmed. There was further discussion about the loan application.

SRF Bonds Refunding Opportunity

Committee Chair Donnellan called on VRA Director of Financial Services and Investments Joe Bergeron. Mr. Bergeron specified that his discussion regarded the State Revolving Funds (SRFs) and not the VPFP discussed in the meeting thus far. He said that sometimes the SRFs issue bonds to increase capacity to meet program demand, first doing so in 1999 and 2020 for the Clean Water and Drinking Water programs respectively. Mr. Bergeron said that currently callable maturities are available for refund and explained the anticipated savings from the 2014B and 2015 bonds. He said the refunding would also create future capacity by moving some debt service to earlier years to create excess coverage for future bond issuances. Mr. Bergeron continued that the pricing is scheduled for late June with closing in mid-July in FY2026. He said that the savings will be for the Clean Water program because the original issuances were for Clean Water bonds. He added that when market interest rates decline, local participants have taken advantage of DEQ's approved rate reset policy, which is why the Clean Water program will retain the refunding savings.

FY2026 Shelf Resolutions

Committee Chair Donnellan called on Mr. D'Alema who described the five resolutions for Board consideration. He specifically noted that the Local Government Direct Loan Program resolution is different than last year's in that the request is to transfer \$13 million of unrestricted net assets to the program. Mr. D'Alema said that if the program is capitalized then loans that are made and subsequently repaid would be available to relend.

Mr. Rolband made a motion and Chairman Harris seconded to recommend approval of the following shelf resolutions in a block as presented:

- Refunding shelf resolution authorizes the refunding of any VRA bonds for debt service savings or cash flow relief
- VPFP shelf resolution authorizes up to \$400 million in FY2026 issuance
- VirginiaHELPS shelf resolution authorizes issuance by VRA on behalf of local government borrowers up to \$50 million in FY2026
- Shelf resolution authorizing the transfer of \$13 million of unrestricted net assets to the Direct Loan Program and making loans therefrom
- Shelf resolution authorizing disaster recovery loan funding up to \$50 million in FY2026

The motion carried.

1. to borrow money and issue its bonds, notes, debentures, interim certificates, grants or revenue anticipation notes or any other evidences of indebtedness (collectively referred to hereinafter as the "Bonds") in amounts the Authority determines to be necessary or convenient to provide funds to carry out its purposes and powers and to pay all costs and expenses incurred in connection with the issuance of Bonds,

2. to refund any Bonds by the issuance of new Bonds, whether the Bonds to be refunded have or have not matured, whenever the Authority deems refunding expedient,

3. to secure Bonds issued by the Authority by a pledge of any local obligation owned by the Authority, any grant, contribution or guaranty from the United States of America, the Commonwealth or any corporation, association, institution or person, any other property or assets of or under the control of the Authority, or a pledge of any money, income or revenue of the Authority from any source,

4. to enter into a trust indenture pursuant to which the Authority may issue Bonds, and the trust indenture may contain provisions, which shall be part of the contract or contracts with the holders of such Bonds as to, among other things, the establishment of reserve funds, sinking funds and other funds and accounts and the regulation and disposition thereof, and

5. to purchase and acquire local obligations to finance or refinance the cost of any Project, using any funds of the Authority available for such a purpose; and

6. to require, as a condition to the purchase or acquisition of any local obligation, that the local government issuing the local obligation covenant to perform any of the acts enumerated in Section 62.1-216 of the Act, including producing sufficient revenue to pay the debt service on its local obligation and to create and maintain any required reserve, including any rate stabilization fund deemed necessary or appropriate by the Authority; and

WHEREAS, on June 13, 2017, the Authority authorized the establishment of a program called the "VirginiaHELPS Conduit Borrower Program" (the "Program") to aid local governments (including authorities with appropriate local government support) to gain access to financing in situations where other Authority programs are not an option due to credit concerns, pending litigation, or similar problems as determined by Authority staff, including the Credit Committee and the Executive Director; and

WHEREAS, under the Program the Authority will provide for the issuance from time to time of Bonds in a single-borrower conduit format to purchase and acquire local obligations to finance or refinance the cost of any Project, and for such other purposes as may be authorized under and pursuant to the Act, and have the other features described in the term sheet on file with the Authority; and

WHEREAS, the Bonds issued under the Program will be secured primarily by (i) revenues derived from the local obligations, and (ii) to the extent available, the "state-aid intercept" provision of Section 62.1-216.1 of the Act; provided, however, Bonds issued to fund the Program will not be secured by a "capital reserve fund" as described in Section 62.1-215 of the Act or otherwise be supported by the "moral obligation" of the Commonwealth; and

WHEREAS, to further the purposes of the Act and the Program, the Board has determined to authorize the Authority to issue Bonds at one time or from time to time in an aggregate principal amount of up to \$50,000,000 to fund the Program during the Authority's fiscal year ending June 30, 2026; and

After careful consideration and to further the public purposes for which the Authority was created, NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE AUTHORITY THAT:

1. It is hereby found and determined that (i) there continues to exist in the Commonwealth a critical need for additional sources of funding to finance the present and future needs of the Commonwealth for the Projects, particularly to enable local governments (including authorities with appropriate local government support) to gain access to financing in situations where other Authority programs are not an option as described in the Recitals, (ii) the Program will alleviate in part this need by encouraging the investment of both public and private funds in a manner that is cost-effective, promotes the efficient use of the Authority's capacity to issue Bonds and does not increase the risk of any adverse effect to the credit rating of either the Authority or the Commonwealth, principally because none of the Bonds issued under the Program will be secured by a "capital reserve fund" as described in Section 2.1-215 of the Act or otherwise have the "moral obligation" support of the Commonwealth, and (iii) the

establishment of the Program is in the public interest, will serve a public purpose and will promote the health, safety, welfare, convenience or prosperity of the people of the Commonwealth.

2. Authorization of the Bonds. There is hereby authorized the issuance at one time or from time to time of one or more series of conduit revenue bonds of the Authority to further the purposes of the Act and the Program. The Authority shall apply the proceeds of the issuance and sale of each series of the Bonds as described in the Recitals above. It is hereby found and determined that the debt service payments on the Bonds are not expected to be made, in whole or in part, directly or indirectly, from appropriations of the Commonwealth within the meaning of Section 2.2-2416(7) of the Code of Virginia of 1950, as amended.

3. Details of the Bonds. VRA's Chairman, Vice Chairman, and Executive Director (collectively, the "VRA Officers," but any of whom may act) are authorized to determine and approve the final details of each series of the Bonds, including without limitation, their series designations, dated date, original aggregate principal amount, interest rates, maturity dates, redemption provisions, sale prices, and the principal amount of each maturity; provided, however, that (i) the original aggregate principal amount of the Bonds shall not exceed \$50,000,000; (ii) no series of the Bonds shall have a true interest cost in excess of 10%; (iii) the final maturity of any of the Bonds of any series shall be no later than December 31, 2058; and (iv) any single loan exposure that exceeds \$25,000,000 will require specific approval of the Authority's Board of Directors. The approval of the VRA Officers of such details with respect to any series of Bonds shall be evidenced conclusively by the execution and delivery thereof on the Authority's behalf.

4. Authorization of Bond Documents. Each series of Bonds authorized under this Resolution shall be issued and secured pursuant to an indenture or similar instrument containing the provisions authorized under Section 62.1-209 of the Act and approved by the VRA Officers (a "Bond Document"); provided that such Bond Document (i) shall provide for each series of Bonds to be issued in a single-borrower conduit format and (ii) shall not establish any "capital reserve fund" for such Bonds within the meaning of Section 62.1-215 of the Act or otherwise pledge or provide for any "moral obligation" or other credit support from the Commonwealth. The approval of any Bond Document shall be evidenced conclusively by the execution and delivery thereof on the Authority's behalf.

5. Preparation, Execution, Authentication and Delivery of Bonds. The Executive Director is authorized and directed to have the Bonds of each series prepared in appropriate form, to have such Bonds executed pursuant to the terms of the related Bond Document, to deliver such Bonds to the appropriate trustee or other fiduciary for authentication if required, and to cause such Bonds so executed and authenticated to be delivered to or for the account of the initial purchasers thereof upon payment of the purchase price thereof as provided in the related Bond Document.

6. Sale of Bonds. At the election of the Executive Director, each series of Bonds may be sold (i) in a negotiated sale to an underwriter or group of underwriters with demonstrated experience in underwriting municipal securities ("Underwriter") to be selected by the Executive Director in accordance with the Authority's previously adopted underwriter selection procedures, (ii) in a private placement to a bank or other institutional investor, or (iii) at public bid to the bidder with the lowest true interest cost to the Authority. With respect to the sale of a series of Bonds, the Executive Director is authorized to execute and deliver a bond purchase agreement or similar agreement with the Underwriter or private placement purchaser, or, if sold at public bid, other appropriate documents with the successful bidder (the "Bid Documents") providing for the sale and delivery of the Bonds upon terms and conditions to be approved by the VRA Officers within the parameters set forth in paragraph 3 above.

7. Preliminary Official Statement. The Board authorizes the preparation of a preliminary official statement, in such form as the Executive Director may approve (a "Preliminary Official Statement"), in connection with the offering of each series of Bonds authorized hereunder and sold in a public sale. The Executive Director is authorized to deem final each Preliminary Official Statement as of its date for purposes of Securities and Exchange Commission Rule 15c2-12 (the "Rule") and to approve the distribution thereof. Distribution of a Preliminary Official Statement shall constitute conclusive evidence that it has been deemed final as of its date, except for the omission of such pricing and other information permitted to be omitted, for purposes of the Rule.

8. Official Statement. After a public sale of a series of the Bonds, the Executive Director is authorized and directed to complete the Preliminary Official Statement therefor as an official statement in final form (the "Official Statement") to reflect the final terms and details of the related series of Bonds and the sale thereof. The Executive Director is authorized to execute each Official Statement, which execution shall constitute conclusive evidence of approval of the Official Statement on behalf of VRA. The Executive Director is authorized to prepare, execute, publish and distribute any other disclosure or sale documents as the Executive Director deems necessary or appropriate to effect the sale of the Bonds.

9. Credit Enhancement. The Executive Director is authorized to procure bond insurance for all or any portion of the Bonds or a surety bond, liquidity facility or similar instrument to provide for the funding of all or any portion of any reserve fund or account established pursuant to the related Bond Document, if the Executive Director determines such procurement to be in the best interests of the Authority.

10. Participating Local Governments. Without the need for additional approval by this Board, the Executive Director is authorized on behalf of the Authority to accept and approve applications from local governments to be participants in the Program. The criteria for approving an application shall include security and enhancements to ensure loan repayment including but not limited to rate and revenue coverage covenants, full faith and credit pledges where allowable, state-aid intercept, leasehold interests in collateral, commercial bank letters of credit and bond insurance.

11. Local Obligation Documents. Each local obligation purchased or acquired with the proceeds of series of Bonds authorized under this Resolution shall be purchased or acquired and secured pursuant to a loan or financing agreement, financing lease documents or a similar instrument containing the provisions authorized under Section 62.1-216 of the Act and approved by the VRA Officers. The approval of any such document shall be evidenced conclusively by the execution and delivery thereof on the Authority's behalf.

12. Tax Matters. The Executive Director is authorized and directed to (i) conduct public hearings in connection with the issuance of any of the Bonds, if applicable, (ii) seek the approval of the Governor of the issuance of any of the Bonds, if applicable, and (iii) execute and deliver on VRA's behalf simultaneously with the issuance of each series of the Bonds a Tax Regulatory Agreement and/or similar agreements or certificates. The Tax Regulatory Agreement and/or similar agreements or certificates shall set forth the expected use of and investment of all or any portion of the proceeds of each series of the Bonds and include such covenants as may be necessary to qualify the interest on all or any portion of each series of the Bonds for exemption from gross income for federal income tax purposes or any Bonds of a series for tax-advantaged status under the Internal Revenue Code of 1986, as amended, and the applicable Treasury Regulations (the "Tax Code"), and to maintain such exemption or status. The Executive Director is further authorized to make on behalf of VRA such elections under the Tax Code with respect to any series of the Bonds as he may deem to be in the best interests of VRA after consultation with VRA's bond counsel and financial advisor. The calculation of "true interest cost" of any Bonds for the purpose of paragraph 1 hereof may take into account the net benefit expected to be received by VRA from the issuance of the Bonds with tax-advantaged status as determined by the Executive Director.

13. Investment of Proceeds. The investment of all monies deposited in any of the funds or accounts related to a series of Bonds will be governed by the sections of the related Bond Document regarding permitted investments. In addition, the Executive Director is authorized to contract with the Virginia State Non-Arbitrage Program and/or an arbitrage rebate consulting firm to provide investment and/or arbitrage compliance services with respect to the Bonds.

14. Interim Financing. Prior to the offering of any series of Bonds, if market or other conditions are such that the VRA Officers determine that it is not advisable to enter into a long-term financing for all or any portion of the purchasing and acquiring of local obligations in the Program, the Executive Director, without further approval of the Board as to documentation or otherwise, may execute, deliver and issue short-term notes of the Authority ("Notes") at public or private sale in anticipation of the issuance of any or all series of Bonds; provided that the aggregate principal amount of the Notes shall not exceed \$50,000,000 (less the aggregate principal amount of any previously issued series of Bonds), the term to maturity thereof shall not exceed five years and the true interest cost thereon shall not exceed 10% and the Notes shall be subject to such other terms and conditions contained in this Resolution to the extent not inconsistent with this paragraph 14. Any of the Notes may be extended or refinanced from time to time by or at the direction of the VRA Officers, provided that no extension

or refinancing matures later than five years from the date of the original issuance of such Note. The VRA Officers are authorized to affix the seal of the Authority to such Notes and to attest the seal. The Notes may be secured in the same manner as the corresponding series of Bonds and may be retired, in the discretion of the VRA Officers, from the proceeds of the corresponding series of Bonds or by means of current revenues or other funds, provided that the maximum amount of the series of Bonds authorized will be reduced by the amount of Notes retired by means of such current revenues or other funds.

15. Authorization of Further Actions. The Executive Director and any Authority employee designated by the Executive Director (the "VRA Representative") is authorized to execute and deliver on the Authority's behalf such other instruments, documents or certificates, and to do and perform such things and acts as he or she shall deem necessary or appropriate to carry out the transactions authorized by this Resolution. Any of the foregoing previously done or performed by any VRA Representative is in all respects approved, ratified and confirmed. The authorizations granted in this Resolution to the Executive Director may be carried out by any Interim or Acting Executive Director, as appropriate, in the absence of the Executive Director.

16. Effective Date; Termination. This Resolution shall be effective on July 1, 2025. The authority to issue Bonds pursuant to this Resolution shall terminate on June 30, 2026 unless extended at the direction of VRA's Chairman for a period not to exceed three months or as needed if there exists a declared state of emergency in the Commonwealth of Virginia as of June 30, 2026.

3. Approval of Supplemental Series Indentures. Each Series of Bonds shall be issued pursuant to the Master Indenture and a Supplemental Series Indenture in substantially the same forms as previous Supplemental Series Indentures on file with VRA. The Executive Director is authorized to execute each Official Statement, which execution shall constitute conclusive evidence of approval of the Official Statement on behalf of VRA. The Executive Director is authorized to prepare, execute, publish and distribute any other disclosure or sale documents as the Executive Director deems necessary or appropriate to effect the sale of the Bonds.

8. Credit Enhancement. The Executive Director is authorized to procure bond insurance for all or any portion of the Bonds or a surety bond, liquidity facility or similar instrument to provide for the funding of all or any portion of the Capital Reserve Fund or any other reserve fund or account established pursuant to the Master Indenture, if the Executive Director determines such procurement to be in the best interests of VRA.

9. Participating Localities. Without the need for additional approval by this Board, the Executive Director is authorized on behalf of VRA to solicit, accept and approve applications from Local Governments to be participants in the Program through VRA's purchase or acquisition of their Local Obligations. The criteria for approving the purchase or acquisition of Local Obligations from participating Localities shall in no event be less stringent than VRA's internal credit criteria previously approved by this Board.

10. Approval of Local Obligation Documents. The Local Obligation Documents in forms on file with VRA are hereby approved for use in providing for the purchase or acquisition of Local Obligations related to the Bonds; provided, however, that the provisions therein may be altered to accommodate different terms agreed to by VRA and the various participating Localities.

11. Tax Matters. The Executive Director is authorized and directed to (i) conduct public hearings in connection with the issuance of Bonds, if applicable, (ii) seek the approval of the Governor of the issuance of any Series of Bonds, if applicable, and (iii) execute and deliver on VRA's behalf simultaneously with the issuance of each Series of Bonds a Tax

Regulatory Agreement and/or similar agreements or certificates. The Tax Regulatory Agreement and/or similar agreements or certificates shall set forth the expected use of and investment of all or any portion of the proceeds of each Series of the Bonds and include such covenants as may be necessary to qualify the interest on all or any portion of each Series of the Bonds for exemption from gross income for federal income tax purposes or the Bonds of any Series for tax-advantaged status under the Internal Revenue Code of 1986, as amended, and the applicable Treasury Regulations (the "Tax Code"), and to maintain such exemption or status. The Executive Director is further authorized to make on behalf of VRA such elections under the Tax Code with respect to any Series of the Bonds as he may deem to be in the best interests of VRA after consultation with VRA's Bond Counsel and Financial Advisor. The calculation of true interest cost for purposes of paragraph 2 hereof may take into account the net benefit expected to be received by VRA from the issuance of the Bonds with tax-advantaged status as determined by the Executive Director.

12. Investment of Proceeds. The investment of all monies deposited in any of the funds or accounts established by the Master Indenture and any Supplemental Series Indenture related to a Series of the Bonds will be governed by the sections of the Master Indenture and such Supplemental Series Indenture related to permitted investments. In addition, the Executive Director is authorized to contract with the Virginia State Non-Arbitrage Program and/or an arbitrage rebate consulting firm to provide investment and/or arbitrage compliance services with respect to the Bonds.

13. Interim Financing. Prior to the offering of any Series of Bonds, if market or other conditions are such that the Chairman or Vice Chairman, in consultation with the Executive Director, determines that it is not advisable to enter into a long-term financing for all or any portion of the purchasing and acquiring of Local Obligations to finance or refinance the cost of any Project, the Executive Director, without further approval of the Board as to documentation or otherwise, may execute, deliver and issue short-term notes of VRA ("Notes") at public or private sale in anticipation of the issuance of any or all Series of Bonds; provided that the aggregate principal amount of the Notes shall not exceed \$400,000,000 (less the aggregate principal amount of any previously issued Series of Bonds), the term to maturity thereof shall not exceed five years and the true interest cost thereon shall not exceed 7% and the Notes shall be subject to such other terms and conditions contained in this Resolution to the extent not inconsistent with this paragraph 13. Any of the Notes may be extended or refinanced from time to time by or at the direction of the Executive Director, provided that no extension or refinancing matures later than five years from the date of the original issuance of such Note. The Executive Director is authorized and directed to affix the seal of VRA to such Notes and to attest the seal. The Notes may be secured in the same manner as the corresponding Series of Bonds and may be retired, in the discretion of the Board, from the proceeds of the corresponding Series of Bonds or by means of current revenues or other funds, provided that the maximum amount of the Series of Bonds authorized will be reduced by the amount of Notes retired by means of such current revenues or other funds.

14. Authorization of Further Actions. The Executive Director and any VRA employee designated by the Executive Director (the "VRA Representative") is authorized to execute and deliver on VRA's behalf such other instruments, documents or certificates, and to do and perform such things and acts as he or she shall deem necessary or appropriate to carry out

the transactions authorized by this Resolution or contemplated by the Master Indenture and any Supplemental Series Indenture related to the Bonds. Any of the foregoing previously done or performed by any VRA Representative is in all respects approved, ratified and confirmed. The authorizations granted in this Resolution to the Executive Director may be carried out by any Interim or Acting Executive Director, as appropriate, in the absence of the Executive Director.

15. Effective Date; Termination. This Resolution shall be effective July 1, 2025. The authority to issue Bonds pursuant to this Resolution shall terminate on June 30, 2026 unless extended at the direction of VRA's Chairman for a period not to exceed three months or as needed if there exists a declared state of emergency in the Commonwealth of Virginia as of June 30, 2026.

VIRGINIA RESOURCES AUTHORITY

- RESOLUTION -

**AUTHORIZING THE ESTABLISHMENT OF THE VIRGINIA LOCAL
GOVERNMENT DIRECT LOAN PROGRAM FUND, TRANSFERRING
\$13,000,000 OF UNRESTRICTED NET ASSETS TO THE FUND
AND MAKING LOANS THEREFROM**

June 10, 2025

WHEREAS, the Virginia Resources Authority (“VRA”) is a public body corporate and a political subdivision of the Commonwealth of Virginia (the “Commonwealth”) created by the Virginia Resources Authority Act, Chapter 21, Title 62.1, Code of Virginia of 1950, as amended (the “VRA Act”); and

WHEREAS, the VRA Act provides that VRA was created for the purpose of encouraging the investment of both public and private funds and to make loans, grants and credit enhancements available to any county, city, town, municipal corporation, authority, district, commission or political subdivision created by the General Assembly or pursuant to the Constitution and laws of the Commonwealth or any combination of any two or more of the foregoing (“Obligors”) to finance or refinance the costs of the facilities or projects now or hereafter described in Section 62.1-199 of the VRA Act (each a “Project” and, collectively, the “Projects”); and

WHEREAS, by a resolution adopted by the Board of Directors of VRA (the “Board”) on December 13, 2022, the Board amended VRA’s Unrestricted Net Asset Policy to, among other things, allow for the utilization of a portion of its unrestricted net assets to provide funding for loans or other funding mechanisms that would be inefficient to finance through other existing VRA programs, subject to formal authorization from the Board through a resolution; and

WHEREAS, by (i) a resolution of the Board adopted on June 13, 2023 and (ii) a resolution of the Board adopted on June 11, 2024 and amended and restated on December 10, 2024, the Board authorized the use of certain unrestricted net assets in order to finance or refinance the costs of qualified Projects (the “Direct Loan Program”), and VRA thereafter made certain loans to Obligors through the Direct Loan Program (“DLP Loans”); and

WHEREAS, the Board has determined to formally establish the Virginia Local Government Direct Loan Program Fund (the “DLP Fund”) and authorize VRA to transfer the amount of \$13,000,000 of unrestricted net assets to fund the Direct Loan Program; and

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE VIRGINIA RESOURCES AUTHORITY AS FOLLOWS:

1. After careful consideration and to further the public purposes for which the Authority was created, NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE AUTHORITY THAT:

1. Purpose. It is hereby found and determined that (i) there continues to exist in the Commonwealth a critical need for additional sources of funding to finance the present and future needs of the Commonwealth for the Projects, particularly to enable local governments (including authorities with appropriate local government support) to gain access to financing, including interim financing, for Projects undertaken by local governments as a disaster recovery response, as described in the Recitals, (ii) the Program will alleviate in part this need by encouraging the investment of both public and private funds in a manner that is cost-effective and promotes the efficient use of the Authority’s capacity to issue Bonds and (iii) the establishment of the Program is in the public interest, will serve a public purpose and will promote the health, safety, welfare, convenience or prosperity of the people of the Commonwealth.

With respect to the sale of a series of Bonds, the Executive Director is authorized to execute and deliver a bond purchase agreement or similar agreement with the Underwriter or private placement purchaser, or, if sold at public bid, other appropriate documents with the successful bidder (the “Bid Documents”) providing for the sale and delivery of the Bonds upon terms and conditions to be approved by the VRA Officers within the parameters set forth in paragraph 3 above.

7. Preliminary Official Statement. The Board authorizes the preparation of a preliminary official statement, in such form as the Executive Director may approve (a “Preliminary Official Statement”), in connection with the offering of each series of Bonds authorized hereunder and sold in a public sale. The Executive Director is authorized to deem final each Preliminary Official Statement as of its date for purposes of Securities and Exchange Commission Rule 15c2-12 (the “Rule”) and to approve the distribution thereof. Distribution of a Preliminary Official Statement shall constitute conclusive evidence that it has been deemed final as of its date, except for the omission of such pricing and other information permitted to be omitted, for purposes of the Rule.

8. Official Statement. After a public sale of a series of the Bonds, the Executive Director is authorized and directed to complete the Preliminary Official Statement therefor as an official statement in final form (the “Official Statement”) to reflect the final terms and details of the related series of Bonds and the sale thereof. The Executive Director is authorized to execute each Official Statement, which execution shall constitute conclusive evidence of approval of the Official Statement on behalf of the Authority and that it has been deemed final within the meaning of the Rule. The Executive Director is authorized to prepare, execute, publish and distribute any other disclosure or sale documents as the Executive Director deems necessary or appropriate to effect the sale of the Bonds.
